RE: Approval Docket # 2010-27-T

Atransportation, LLC and Tropical Taxi, LLC, SCM, LLC and several other companies are opposing the approval of convenience of and necessity for operation of motor vehicle carrier in Docket # 2010-27-T. Because convenience if necessity is being served in these areas, Company that is applying is Share Care Transport, INC.

We would hope that given the fact that there are already to many providers that public service commission of SC would deny authority until established providers, can be heard from. Giving authority to this Company could jeopardize our Employees as well as existing Companies. We also have tax and figures supporting our findings.

Sincerely

Scott Higbee (Owner)
